PROJECT INFORMATION

For each question below, please circle YES or NO and provide additional information when applicable.

9. In your opinion, is the project statutorily or categorically exempt from the California Environmental Quality Act (CEQA)? YES NO

a. Please cite the specific government code statute or category providing exemption from CEQA.

10. Is there a creek, stream or waterway on the property or nearby? YES NO

11. Does the project require a variance, conditional use permit or rezoning? YES NO

12. Does the project propose re-grading all or part of the site? YES NO

13. Does the project propose a change in scenic views or vistas from existing residential areas, public lands or roads? YES NO

14. Does the project propose a temporary or permanent alteration of the ground water quality or quantity, or an alteration to existing drainage patterns? YES NO

15. Will there be a temporary or permanent change in existing noise or vibration resulting form the project? YES NO

16. Does the project propose a temporary or permanent increase in on-street parking or traffic? YES NO

17. Are there any known existing toxic or hazardous materials on the property and are there any proposed as part of the project? YES NO

18. Does the project require a change to municipal services (police, fire, water, sewer, schools, etc.)? YES NO

19. Does the property have a slope of greater than 20%? YES NO

20. Will there be a temporary or permanent change in dust, fumes, smoke, or odors resulting from the project? YES NO

21. Does the project require an unusual amount of excavation? (please estimate the volume or number of truck loads of excavated material) YES NO

22. Please describe any other aspect of your project that you think should be disclosed to the City and members of the public, or that should be evaluated pursuant to the California Environmental Quality Act (please attach additional sheets if needed)

ENVIRONMENTAL SETTING

23. Please describe the project site as it exists before the project, including information on topography, soil stability, plants and animals, and any cultural, historical, or scenic aspects. Describe any structures on the site, and the use of the structures. Attach photographs of the site. (you may attach additional sheets as necessary).

CERTIFICATIONS

I hereby certify that the statements furnished above and in the attached exhibits present the data and information required for this initial evaluation to the best of my ability, and that the facts, statements, and information presented are true and correct to the best of my knowledge and belief.

For projects not statutorily or categorically exempt from CEQA

I hereby certify that I understand my payment of \$50,000 is a deposit to cover the cost of preparing an Initial Study and a Negative Declaration pursuant to the requirements of the California Environmental Quality Act and that this deposit includes payment of a \$51 records management fee. I understand that the deposit also covers a City administrative cost, which is 30% of the cost for an Initial Study, Negative Declaration and Environmental Impact Report (EIR). If an EIR is required, I understand that I must submit a deposit of \$100,000 to cover the cost of preparing the EIR and the 30% City administrative cost. I understand that additional deposits may be necessary to cover the completion of the Initial Study, Negative Declaration or EIR, and to pay other required fees as necessary (such as a fee for the California Department of Fish and Wildlife). I understand that any unused deposits, including the pro-rated 30% administrative deposits, will be returned to me after the City has taken action on the project.
