

Temporarily Discontinued Solid Waste Collection Services

Please note that due to the COVID pandemic Republic Services will temporarily discontinue certain services in order to protect the health of its workforce). These are services that involve direct contact between the driver (a.k.a. “garbage man”) and the waste: bulky waste pick-ups, overflow bags and materials of recyclables and yard waste, and illegal dumpings. Collection of waste materials contained in wheeled carts (including those collected through on-premises service) and bins will remain uninterrupted.

- Recyclable materials (bottles, cans and clean paper products) will continue to be collected, but only if they are contained in the blue Recyclables Cart. Cardboard boxes may need to be cut down or folded in order to fit them into the cart.
- Organic waste (food scraps, food-soiled paper, and yard trimmings) will continue to be collected, but only if it is contained in the green Organics Cart. Yard trimmings contained in overflow bags will not be collected. The overflow yard trimmings bags may need to be temporarily stockpiled in the side or rear yard of your property. You may gradually dispose of the bags into the green cart over the course of the ensuing weeks, or until collection resumes.
- Additional recycling and organic carts can be requested at no additional cost by contacting Republic Services.
- Bulky Waste collection service is discontinued during the [COVID shelter-in-place order](#). Republic Services will honor previously scheduled bulky waste collections. If you are cleaning out your garage or rooms while sheltering in place, please store the bulky waste items on your property in a location not visible from the street until bulky waste collections resume. Please do not discard the waste at an inappropriate location. Most non-profit organization locations are closed, including Dress Best for Less. Alternatively, bulky items can be self-hauled to [Golden Bear Transfer Station](#).
- DO NOT leave bulky waste items at the curb during this temporary cessation of service.
