

CANDIDATE'S STATEMENT
Piedmont General Municipal Election, November 8, 2022

Name: Nancy "Sunny" Bostrom-Fleming Age (optional): 77

My education and qualifications are:

Once upon a time there was a chubby little rich boy who lived in a mansion. He was driven in a limousine to school where he faced name calling, shoving, pinching. His mother sang, taught him piano & knitted him sweaters. He earned two doctorates. One music, one in theology, trained as a Presbyterian minister, married, had two children, four grandchildren, & millions of stepchildren. You might be one of them. His name was Fred Rogers and he lives in your heart. He never forgot the pain he experienced when he was helpless as we all have been or will be. His sweater is at the Smithsonian. My name is Sunny. I ran before. I promoted cameras at Piedmont's entrances that keep your family & pets safer. My father taught me to swim when I was six months old. When I went to Katrina to help I realized that African-Americans are at a great & deadly disadvantage as far as swimming education is concerned. We can start a program to promote water safety for all children in America, saving thousands of lives. The issues before us are among the most important in our history.

The Piedmont City Council has by resolution limited candidate's statements to 200 words.

Pursuant to Elections Code § 13307, I state that I have prepared the above statement and request that it be printed in the voter's pamphlet and mailed to each registered voter of my district.
