

CANDIDATE'S STATEMENT
Piedmont General Municipal Election, November 8, 2022

Name Lindsay Thomasson Age (optional) _____

My education and qualifications are: As the parent of students currently at PMS, Havens, and in preschool, I have held numerous volunteer roles over the past five years, giving me a robust understanding of how our district works, its strengths and weaknesses. I served as Havens' Parent Club President, on the LCAP Committee, Superintendent Community Advisory Committee, and Wellness Center Committee, to name a few. As a member of PUSD's Board of Education, my priorities would be to ensure PUSD has the leadership and resources to provide students an excellent, well-rounded academic experience, including the hiring of a superintendent aligned in our goals, and attracting and retaining well-qualified, diverse, engaged educators. This will allow PUSD to truly equip students with the essential critical-thinking, STEAM, and language arts skills needed to succeed at the universities and in the careers of their choosing. I have attended California public schools my entire life, culminating in degrees from Cal Berkeley and UCSD. Piedmont schools are the foundation of our community, yet the past three years have been divisive. To move forward we must engage in meaningful community dialogue, be pragmatic and creative, ensure all stakeholders are engaged in our decision-making processes, and always put students first.

The Piedmont City Council has by resolution limited candidate's statements to 200 words.

Pursuant to Elections Code § 13307, I state that I have prepared the above statement and request that it be printed in the voter's pamphlet and mailed to each registered voter of my district.
