PRE-K PROGRAM

"At Pre-K, children experience learning at their own pace. It is a special year that allows for nurtured growth and development."

4 years BY August 1 or 5 years
AFTER December 31, 2024

Pre-K Deets

Ages 4 & 5 Years

Program Dates: Monday–Thursday

August 19, 2024–May 22, 2025

9:00 am–1:00 pm

Monthly Tuition*: R \$1,109 | NR \$1,139

At Pre-K, children experience learning at their own pace and are gently guided toward kindergarten readiness. Through a balance of free play and instruction, children develop positive self-esteem, self-confidence, compassion for others and peaceful conflict resolution. The Pre-K program nourishes social and collaborative skills, emotional awareness as well as kindergarten readiness.

Children learn and grow through circle time, sharing, literature, art, math, science, music, dramatic play, Spanish language introduction, gross motor activities, and outdoor discovery. Given the opportunity to make choices, Pre-K students learn that their thoughts and feelings are important, and their choices have consequences. Large group, small group, and independent activities are combined to create a rich interactive learning community.

*Participants MUST be toilet-trained prior to program start

Preschool Director

Lisa Bunn

Lisa Bunn is a mother of three who has worked at PRD for 12 years, 10 in Pre-K! After earning an English degree from UC Berkeley and a Masters in Journalism from NYU, she studied early childhood education in preparation for her true passion, teaching.

She loves helping children learn and grow and prepare for kindergarten by fostering their creativity, imagination, compassion and confidence.
